## Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 3 December 1957

FROM : Chief, Orientation Faculty

SUBJECT: Weekly Activities Report #48, 27 November - 3 December 1957

1. Significant Items:

Nothing to report.

25X1

2. Other Activities:A. Intelligence Orientation

1. The second week of IO #16 dealing with the Collection, Support and Operations phases began on 2 December.

2. Because of recent Soviet developments, several lecturers in IO have revised their presentations. [redacted] OSI speaker, presented to the class some of the charts which had been used by the DCI in briefing the special Congressional investigating committee. Lecturers from ORR and the National Indications Center have also revised their presentations.

25X1

3. The training manual, The National Intelligence Process, developed by the IO staff has been printed and distributed to the students in the current IO course.

4. Before the presentation of the film "Forbidden Area" [redacted] briefed the students on the major points of interest in the film such as:

a. the similarity between the Planning Group in the film and the IAC Watch Committee

25X1

b. intelligence "blocks" which sometimes occur

c. methods and elements of tradecraft such as penetration, cover and sabotage.

This innovation apparently increased the value of the film considerably as a training aid.

5. On learning that the majority of the students in the present course were from the DDS offices, [redacted] A/D, OBI, complimented these components on the quality of the Support Exhibit which he had visited and which he heartily approved.

SECRET

**SECRET****B. Review of Examination**

The IO staff met on 27 November to review the findings made by [redacted] in their analysis of the final examination. The staff will make the most essential changes in the examination prior to 6 December and will make a complete revision prior to the January course.

**C. Exhibits**

1. The Office of Security is revising its exhibit and has agreed to set up and dismantle its own presentation each month.

2. Approximately 55 cleared personnel from Army, Navy, Air Force, and State will attend the Intelligence Products Exhibits on 5 December. Students in the C.S.R. course will attend both the Support Exhibit and the Products Exhibit.

25X1

**D. Special Projects**

25X1

1. [redacted] O/C Training officer, has advised us that the Office of Communications has decided to participate in both the IOC and the Support Exhibit. They plan to brief the IO staff on O/C functions during the next week or ten days.

2. [redacted] met with [redacted] on 3 December for a briefing on the CIA Review Lecture, which [redacted] will deliver on 12 December.

25X1

**E. Miscellaneous**

64 The OTR seal has been placed above the center of the proscenium [redacted] in the R&S Auditorium.

**3. Personnel Notes:**

25X1

Nothing to report.
